Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Adelanto's water and wastewater infrastructure improvements in fiscal year 2024. The entity to receive funding for this project is the City of Adelanto, located at 11600 Air Expressway, Adelanto, CA 92301. The funding would be used to improve water and wastewater infrastructure throughout the city to provide proper water pressure required by the developments in the area. This project is an appropriate use of taxpayer funds because the city's water infrastructure is failing and cannot deliver the pressure needed to support fire hydrants in new areas, which threatens the safety of residents in those new areas.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obermolte
Member of Congress
